News from NRHS National

NRHS President's Corner – August 2017

Submitted by Al Weber, President, National Railway (NRHS News, August 2017 issue)

Well, we just finished a very good 2017 NRHS convention in Nashville, Tenn. The trips went very well, and I have received many compliments on how well the volunteers ran the convention. We all need to thank them for all the hard work they did.

We had several NRHS members bring their families to the convention. This is a way to have a family vacation and ride trains at the same time. I also noted that we had several children, who had to be grandchildren, attending with their grandparents. Many of you did not attend. This is one of the major events that the NRHS puts on each year. This event is held for YOU, and your participation is one of the benefits of your membership.

Next year we will have our convention in Cumberland, Md. The convention committee is working on the dates and events. Please plan on attending. The Fall 2017 NRHS conference will be hosted by the Kansas City Chapter Oct. 19-21. The chapter members have a very nice program set up for all attendees. You do not have to be a board member, officer or chapter representative to attend, so please think about attending. Registration is now open.

At the Board of Directors' meeting, the Roanoke Chapter NRHS made a challenge grant request to support the Railway Heritage Grants program. Every year we start the Heritage Grants fund from zero dollars and give all the donations dedicated

to that program in that year. The Roanoke Chapter will match 10 percent of donations over \$500, up to a limit from the chapter of \$3,000. Please contact the Roanoke Chapter, or see the articles on page eight, for details on their challenge program.

The NRHS Bulletin, NRHS News and the NRHS Telegraph are all now being published on a regular schedule. All need articles from you, the membership. I have read many fine articles in many newsletters. Why not send them to the editors for national distribution? Please feel free to contact me if you have any questions. Al Weber, email: aweber@nrhs.com

North Texas Chapter News

Chapter Business Meeting Minutes, August 1, 2017.

NORTH TEXAS CHAPTER, NATIONAL RAILWAY HISTORICAL SOCIETY, MINUTES, DATE: August 1, 2017.

The August 2017 meeting was held on Tuesday, August 1, 2017 at SOKOL Hall in Dallas, TX. President Wayne Smith was unable to attend so VP-Programs Jon Shea called the meeting to order at 7:35 p.m. There were 10 members in attendance plus guests Rick & Suzanne Metzgar, parents of member Sam Metzgar. Jon thanked all in attendance for their hospitality shown to our guests.

Jon reported on the current status of upcoming meetings. The DeGolyer library visit had to be postponed until the October 3 meeting, so the September 5 meeting will most likely be here at SOKOL Hall. November's meeting will be the annual member's auction, location TBD and December's meeting will be the annual Christmas party at Babe's Restaurant in Frisco, TX. Watch the online version of the newsletter for updated info.

Skip Waters commented that one of our members, Don, works for BNSF and could get the use of one of the BNSF office cars at the NOC for a meeting. We will pursue this with Don.

Jon brought some Show & Tell items, several brochures on Colorado Narrow gauge lines including the Molly Kathleen Gold Mine and the Cripple Creek & Victor RR. He also showed a Katy booklet he picked up for \$15 and an article from the Cincinnati RR Club about a man who overdosed on drugs and laid down on the tracks. Twenty six cars of a train passed over him before the train could be stopped.

Council Rep Dave Gramm reported on the June council meeting. There will not be a July meeting, with meetings resuming on August 15. The fall train show is a month away, setup starting on September 29 and the show on September 30-October 1.

Jon reported that Russell Kissick, director of the Plano Interurban Museum has passed away after several strokes both in and out of the hospital where he had gone for treatment.

Skip reported he had purchased a parade float built to resemble a steam locomotive on a Ford F-150 chassis. An American Legion hall had built it and several 40N8 boxcars (replicas of wartime boxcars that could carry 40 men or 8 horses) to haul passengers. The AL had sold it off several years ago and Skip found it for sale again on E-bay in New Jersey. The current owner had paid \$10K for the loco only and Skip got a deal for \$4k. After a comical rendition of the trials and tribulations he went through to purchase the unit, he is now the proud owner of a loco parade float, parked in Pennsylvania for now until he can get it back here. The storyline Skip gave of the purchase trip had us all in stitches and most would say unbelievable except for it happening to Skip. Ask him to tell you the story sometime.

Member Sam Metzgar produced 120 new questions for use at our next '24 Hours @ Saginaw' railroad trivia game. He also passed around some pictures and documents he received from the Grapevine Vintage RR on the Tarantula RR history.

Skip reported that longtime chapter member Paul Mengelsdorf had passed away with his funeral later in the week. Paul had worked at the Age of Steam museum.

T & P engine 610 @ Will Rogers Complex has been sold for \$1 by the owner, Ft. Worth Stock Show, to David E. Pearson's 610 Foundation with plans to refurbish the engine.

Nationally, the 2018 convention will be in mid-August in Cumberland, MD and the 2019 convention in July in Austin, TX.

Program for the evening was a video on 140 years ago when trains came to Dallas and another on a historical perspective on Ennis, TX from 1872-1994 starting with the arrival of the railroad and the downtown restoration in the 1980's. Jon also had several books he has acquired on the Houston & Texas Central, the first RR to reach Dallas and the founder of Richardson, TX. Submitted by Dave Gramm, for Secretary Jerry Nunn.
